ART AT ST. KATE’S
13th annual ART FAIR of local artists
presented by Artists’ Circle and Textile Center
goes Virtual on July 10-12

The 13th annual Art at St. Kate’s, scheduled for July 11, is now a virtual art fair online. Due to the pandemic and concern for the health and safety of everyone, when University of St. Catherine cancelled all summer on-campus events over three months ago, show organizer Artists’ Circle was in complete agreement.

Artists’ Circle has decided to offer an alternative opportunity:
A virtual art fair for three days, July 10-12, Friday through Sunday.

Please visit the Artists’ Circle website to view the list of artists and the juried images of their work. Many of the artists have their own websites where they display the full range of their artwork, which you can purchase directly. Enjoy browsing original artwork from paintings, earrings, and pottery bowls to silk scarves, leather purses, metal garden sculptures, and much more.

Many artists have a link to their social media where you can learn more about them, their processes, and view their “specials” for this virtual art fair.

You can attend our virtual Art at St. Kate’s for the entire long weekend of July 10-12. The Art at St. Kate’s artists look forward to connecting you with new pieces you can add to your collection when you visit their online "booths." Many artists also plan to keep their "booths" open online through the end of July; you can check them out again and again throughout July. Artists’ Circle and all the Art at St. Kate’s artists thank you for your continued patronage.

Art at St. Kate’s plans to be back on the grounds of St. Catherine University in St. Paul on July 10, 2021 (tentative), for the 14th annual show. All the artists juried into the 2020 show will automatically be invited to participate in 2021.
